

Aiken Council of Neighborhoods Guiding Principles

Vision

Provide Aiken neighborhoods with the foundation for healthy, safe, active and inspired living.

Mission

To establish and maintain a network of neighborhood organizations and an effective interface between residents and public agencies in order to identify and solve common problems; provide learning opportunities; recognize and respect diversity and celebrate partnerships as well as victories both large and small.

Values

1. Communication

We value open and honest communication and well-informed neighbors.

2. Relationships

We value meaningful and collaborative relationships between communities and their members.

3. Voice

We value and encourage input from all Aiken City and County citizens.

4. Diversity

We value diversity of ideas and perspectives.

5. Belonging

We value a sense of pride and belonging in the Aiken County community.

6. Leadership

We value skilled and empowered leadership.
